Remarks

Welcome to your gorgeous modern cabin with exquisite views of Colvos Passage. 2/3 of an acre on the most secluded road in Seaview Terrace - not only is there room to store your boat, RV and other toys, but this property is surrounded by community green space on two sides and has a 720 sqft bonus building to be converted to anything that suits you. The main house has soaring cedar ceilings and abundant light from the large wall of windows, with the owner's Bed/Bath facing the sound. This low fee, friendly HOA boasts a cabana to reserve for summer parties, a private boat launch and mooring buoy. Kayak to the newly restored Olalla Bay Market, or go for an evening out in beautiful Gig Harbor just minutes away! Come see the magic for yourself!
